BEFORE THE ARIZONA MEDICAL BOARD

In the Matter of

ARMANDO GONZALEZ, M.D.

Holder of License No. 24499
For the Practice of Allopathic Medicine
In the State of Arizona.

Case No. MD-24-0457A

**INTERIM CONSENT AGREEMENT
FOR PRACTICE RESTRICTION**

INTERIM CONSENT AGREEMENT

Armando Gonzalez, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Interim Consent Agreement for Practice Restriction and consents to the entry of this Order by the Arizona Medical Board ("Board").

INTERIM FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 24499 for the practice of allopathic medicine in the State of Arizona.

3. Respondent's license is subject to terms and conditions of probation pursuant to Findings of Fact, Conclusions of Law and Order for Letter of Reprimand and Probation entered in case MD-22-0243A ("Original Order"). The Original Order required Respondent to enroll with a Board approved monitoring company to conduct chart reviews. The Original Order included a tolling provision for periods of non-practice exceeding 30 days.

4. On November 29, 2023, Respondent reported to Board staff that he would be closing his practice effective December 4, 2023 and advised that he would notify Board staff when he obtained employment.

5. The Board initiated case number MD-24-0457A after reviewing Respondent's Controlled Substance Prescription Monitoring Profile ("CSPMP") report, which indicated that Respondent has been practicing medicine and prescribing controlled substances without reporting his return to practice or enrolling in chart reviews with a Board-approved monitoring company.

6. Respondent has not responded to Board staff's attempts to contact him by phone or email, and has failed to update his home phone number with the Board.

7. The aforementioned information was presented to the investigative staff, the medical consultant and the lead Board member. All reviewed the information and concur that the interim consent agreement to restrict Respondent's practice is appropriate.

8. The investigation into this matter is pending and will be forwarded to the Board promptly upon completion for review and action.

INTERIM CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to enter into a consent agreement when there is evidence of danger to the public health and safety.

3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an interim consent agreement when there is evidence that a restriction is needed to mitigate imminent danger to the public's health and safety. Investigative staff, the Board's medical consultant and the lead Board member have reviewed the case and concur that an interim consent agreement is appropriate.

INTERIM ORDER

IT IS HEREBY ORDERED THAT:

1 1. Respondent is prohibited from engaging in the practice of medicine in the
2 State of Arizona as set forth in A.R.S. § 32-1401(22) until Respondent applies to the
3 Executive Director and receives permission to do so.

4 2. Respondent may request, in writing, release and/or modification of this
5 Interim Consent Agreement. Respondent's request must be accompanied by information
6 demonstrating that Respondent is safe to practice medicine. The Executive Director, in
7 consultation with and agreement of the lead Board member and the Chief Medical
8 Consultant, has the discretion to determine whether it is appropriate to release
9 Respondent from this Interim Consent Agreement.

10 3. The Board retains jurisdiction and may initiate new action based upon any
11 violation of this Interim Consent Agreement, including, but not limited to, summarily
12 suspending Respondent's license.

13 4. Because this is an Interim Consent Agreement and not a final decision by
14 the Board regarding the pending investigation, it is subject to further consideration by the
15 Board. Once the investigation is complete, it will be promptly provided to the Board for its
16 review and appropriate action.

17 5. This Interim Consent Agreement shall be effective on the date signed by the
18 Board's Executive Director.

RECITALS

Respondent understands and agrees that:

1. The Board, through its Executive Director, may adopt this Interim Consent Agreement, or any part thereof, pursuant to A.R.S. § 32-1405(C)(25) and A.A.C. R4-16-504.

2. Respondent has read and understands this Interim Consent Agreement as set forth herein, and has had the opportunity to discuss this Interim Consent Agreement with an attorney or has waived the opportunity to discuss this Interim Consent Agreement with an attorney. Respondent voluntarily enters into this Interim Consent Agreement and by doing so agrees to abide by all of its terms and conditions.

3. By entering into this Interim Consent Agreement, Respondent freely and voluntarily relinquishes all rights to an administrative hearing on the matters set forth herein, as well as all rights of rehearing, review, reconsideration, appeal, judicial review or any other administrative and/or judicial action, concerning the matters related to the Interim Consent Agreement.

4. Respondent understands that this Interim Consent Agreement does not constitute a dismissal or resolution of this matter or any matters that may be currently pending before the Board and does not constitute any waiver, express or implied, of the Board's statutory authority or jurisdiction regarding this or any other pending or future investigations, actions, or proceedings. Respondent also understands that acceptance of this Interim Consent Agreement does not preclude any other agency, subdivision, or officer of this State from instituting civil or criminal proceedings with respect to the conduct that is the subject of this Interim Consent Agreement. Respondent further does not

1 relinquish Respondent's rights to an administrative hearing, rehearing, review,
2 reconsideration, judicial review or any other administrative and/or judicial action,
3 concerning the matters related to a final disposition of this matter, unless Respondent
4 affirmatively does so as part of the final resolution of this matter.

5 5. Respondent acknowledges and agrees that upon signing this Interim
6 Consent Agreement and returning it to the Board's Executive Director, Respondent may
7 not revoke Respondent's acceptance of this Interim Consent Agreement or make any
8 modifications to it. Any modification of this original document is ineffective and void unless
9 mutually approved by the parties in writing.

10 6. Respondent understands that this Interim Consent Agreement shall not
11 become effective unless and until it is signed by the Board's Executive Director.

12 7. Respondent understands and agrees that if the Board's Executive Director
13 does not adopt this Interim Consent Agreement, Respondent will not assert in any future
14 proceedings that the Board's consideration of this Interim Consent Agreement constitutes
15 bias, prejudice, prejudgment, or other similar defense.

16 8. Respondent understands that this Interim Consent Agreement is a public
17 record that may be publicly disseminated as a formal action of the Board, and that it shall
18 be reported as required by law to the National Practitioner Data Bank.

19 9. Respondent understands that this Interim Consent Agreement does not
20 alleviate Respondent's responsibility to comply with the applicable license-renewal
21 statutes and rules. If this Interim Consent Agreement remains in effect at the time
22 Respondent's allopathic medical license comes up for renewal, Respondent must renew
23 the license if Respondent wishes to retain the license. If Respondent elects not to renew
24
25

1 the license as prescribed by statute and rule, Respondent's license will not expire but
2 rather, by operation of law (A.R.S. § 32-3202), become suspended until the Board takes
3 final action in this matter. Once the Board takes final action, in order for Respondent to be
4 licensed in the future, Respondent must submit a new application for licensure and meet
5 all of the requirements set forth in the statutes and rules at that time.

6 10. Respondent understands that any violation of this Interim Consent
7 Agreement constitutes unprofessional conduct under A.R.S. § 32-1401(27)(s) ("[v]iolating
8 a formal order, probation, consent agreement or stipulation issued or entered into by the
9 board or its executive director under this chapter.").
