INTERIM FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 17733 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-25-0218A after receiving a report from a healthcare professional expressing concern regarding Respondent's safety to practice.

4. Based on the report, Respondent was issued an Interim Order for Biological Fluid, Nail and/or Hair Testing. Respondent tested positive for illicit and non-prescribed controlled substances.

5. On March 26, 2025, Respondent entered into a Surrender for Cause of DEA Certificate of Registration.

1 6. Respondent previously participated in the Board's Physician Health Program
2 ("PHP") from April 14, 2009 to April 14, 2011¹, and again from December 17, 2013 to
3 February 8, 2024.²

4 7. The aforementioned information was presented to the investigative staff, the
5 medical consultant and the lead Board member. All reviewed the information and concur
6 that the interim consent agreement to restrict Respondent's practice is appropriate.

7 8. The investigation into this matter is pending and will be forwarded to the
8 Board promptly upon completion for review and action.

9 **INTERIM CONCLUSIONS OF LAW**

10 1. The Board possesses jurisdiction over the subject matter hereof and over
11 Respondent.

12 2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to
13 enter into a consent agreement when there is evidence of danger to the public health and
14 safety.

15 3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an
16 interim consent agreement when there is evidence that a restriction is needed to mitigate
17 imminent danger to the public's health and safety. Investigative staff, the Board's medical
18 consultant and the lead Board member have reviewed the case and concur that an interim
19 consent agreement is appropriate.

20 **INTERIM ORDER**

21 IT IS HEREBY ORDERED THAT:

22 1. Respondent is prohibited from engaging in the practice of medicine in the
23 State of Arizona as set forth in A.R.S. § 32-1401(22) until Respondent applies to the

² Cases MD-13-0535A, MD-15-1213A and MD-18-0966A

1 Executive Director and receives permission to do so.

2 2. Respondent may request, in writing, release and/or modification of this
3 Interim Consent Agreement. Respondent's request must be accompanied by information
4 demonstrating that Respondent is safe to practice medicine. The Executive Director, in
5 consultation with and agreement of the lead Board member and the Chief Medical
6 Consultant, has the discretion to determine whether it is appropriate to release
7 Respondent from this Interim Consent Agreement.

8 3. The Board retains jurisdiction and may initiate new action based upon any
9 violation of this Interim Consent Agreement, including, but not limited to, summarily
10 suspending Respondent's license.

11 4. Because this is an Interim Consent Agreement and not a final decision by
12 the Board regarding the pending investigation, it is subject to further consideration by the
13 Board. Once the investigation is complete, it will be promptly provided to the Board for its
14 review and appropriate action.

15 5. This Interim Consent Agreement shall be effective on the date signed by the
16 Board's Executive Director.
