

1 **BEFORE THE ARIZONA MEDICAL BOARD**

2 In the Matter of

3 **MANINDER P. CHATHA, M.D.**

4 Holder of License No. 31458
5 For the Practice of Allopathic Medicine
6 In the State of Arizona.

Case No. MD-23-0588A

**INTERIM CONSENT AGREEMENT
FOR PRACTICE RESTRICTION**

7 **INTERIM CONSENT AGREEMENT**

8 Maninder P. Chatha, M.D. ("Respondent") elects to permanently waive any right to
9 a hearing and appeal with respect to this Interim Consent Agreement for Practice
10 Restriction and consents to the entry of this Order by the Arizona Medical Board ("Board").

11 **INTERIM FINDINGS OF FACT**

12 1. The Board is the duly constituted authority for the regulation and control of
13 the practice of allopathic medicine in the State of Arizona.

14 2. Respondent is the holder of License No. 31458 for the practice of allopathic
15 medicine in the State of Arizona.

16 3. The Board initiated case number MD-23-0588A after receiving a self-report
17 from Respondent that he had tested positive for alcohol in violation of his Board Order for
18 monitoring with the Board's Physician Health Program ("PHP").

19 4. Effective January 13, 2022, Respondent entered into a Stipulated
20 Rehabilitation Agreement ("SRA") requiring Respondent to comply with terms and
21 conditions of monitoring arising out of case MD-21-0561A.

22 5. The SRA states in relevant part:

23 In the event of chemical dependency relapse by Respondent or Respondent's
24 use of drugs or alcohol in violation of this SRA, Respondent shall promptly
25 enter into an Interim Order for Practice Restriction and Consent to the Same
that requires, among other things, that Respondent not practice medicine until
such time as Respondent successfully completes long-term inpatient

1 treatment for chemical dependency designated by the PHP and obtains
2 affirmative approval from the Executive Director, in consultation with the chief
3 medical consultant and the lead Board member, to return to the practice of
4 medicine. Prior to approving Respondent's request to return to the practice of
5 medicine, Respondent may be required to submit to witnessed biological fluid
6 collection or undergo any combination of physical examination, psychiatric or
7 psychological evaluation. In no respect shall the terms of this paragraph
8 restrict the Board's authority to initiate and take disciplinary action for violation
9 of this SRA.

6 6. The aforementioned information was presented to the investigative staff, the
7 medical consultant and the lead Board member. All reviewed the information and concur
8 that the interim consent agreement to restrict Respondent's practice is appropriate.

9 7. The investigation into this matter is pending and will be forwarded to the
10 Board promptly upon completion for review and action.

11 **INTERIM CONCLUSIONS OF LAW**

12 1. The Board possesses jurisdiction over the subject matter hereof and over
13 Respondent.

14 2. Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to
15 enter into a consent agreement when there is evidence of danger to the public health and
16 safety.

17 3. Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an
18 interim consent agreement when there is evidence that a restriction is needed to mitigate
19 imminent danger to the public's health and safety. Investigative staff, the Board's medical
20 consultant and the lead Board member have reviewed the case and concur that an interim
21 consent agreement is appropriate.

22 **INTERIM ORDER**

23 IT IS HEREBY ORDERED THAT:

24 1. Respondent is prohibited from engaging in the practice of medicine in the
25 State of Arizona as set forth in A.R.S. § 32-1401(22) until Respondent applies to the

1 Executive Director and receives permission to do so.

2 2. Respondent may request, in writing, release and/or modification of this
3 Interim Consent Agreement. Respondent's request must be accompanied by information
4 demonstrating that Respondent is safe to practice medicine. The Executive Director, in
5 consultation with and agreement of the lead Board member and the Chief Medical
6 Consultant, has the discretion to determine whether it is appropriate to release
7 Respondent from this Interim Consent Agreement.

8 3. The Board retains jurisdiction and may initiate new action based upon any
9 violation of this Interim Consent Agreement, including, but not limited to, summarily
10 suspending Respondent's license.

11 4. Because this is an Interim Consent Agreement and not a final decision by
12 the Board regarding the pending investigation, it is subject to further consideration by the
13 Board. Once the investigation is complete, it will be promptly provided to the Board for its
14 review and appropriate action.

15 5. This Interim Consent Agreement shall be effective on the date signed by the
16 Board's Executive Director.

23 **RECITALS**

24 Respondent understands and agrees that:

1 1. The Board, through its Executive Director, may adopt this Interim Consent
2 Agreement, or any part thereof, pursuant to A.R.S. § 32-1405(C)(25) and A.A.C. R4-16-
3 504.

4 2. Respondent has read and understands this Interim Consent Agreement as
5 set forth herein, and has had the opportunity to discuss this Interim Consent Agreement
6 with an attorney or has waived the opportunity to discuss this Interim Consent Agreement
7 with an attorney. Respondent voluntarily enters into this Interim Consent Agreement and
8 by doing so agrees to abide by all of its terms and conditions.

9 3. By entering into this Interim Consent Agreement, Respondent freely and
10 voluntarily relinquishes all rights to an administrative hearing on the matters set forth
11 herein, as well as all rights of rehearing, review, reconsideration, appeal, judicial review or
12 any other administrative and/or judicial action, concerning the matters related to the
13 Interim Consent Agreement.

14 4. Respondent understands that this Interim Consent Agreement does not
15 constitute a dismissal or resolution of this matter or any matters that may be currently
16 pending before the Board and does not constitute any waiver, express or implied, of the
17 Board's statutory authority or jurisdiction regarding this or any other pending or future
18 investigations, actions, or proceedings. Respondent also understands that acceptance of
19 this Interim Consent Agreement does not preclude any other agency, subdivision, or
20 officer of this State from instituting civil or criminal proceedings with respect to the conduct
21 that is the subject of this Interim Consent Agreement. Respondent further does not
22 relinquish Respondent's rights to an administrative hearing, rehearing, review,
23 reconsideration, judicial review or any other administrative and/or judicial action,
24
25

1 concerning the matters related to a final disposition of this matter, unless Respondent
2 affirmatively does so as part of the final resolution of this matter.

3 5. Respondent acknowledges and agrees that upon signing this Interim
4 Consent Agreement and returning it to the Board's Executive Director, Respondent may
5 not revoke Respondent's acceptance of this Interim Consent Agreement or make any
6 modifications to it. Any modification of this original document is ineffective and void unless
7 mutually approved by the parties in writing.

8 6. Respondent understands that this Interim Consent Agreement shall not
9 become effective unless and until it is signed by the Board's Executive Director.

10 7. Respondent understands and agrees that if the Board's Executive Director
11 does not adopt this Interim Consent Agreement, Respondent will not assert in any future
12 proceedings that the Board's consideration of this Interim Consent Agreement constitutes
13 bias, prejudice, prejudgment, or other similar defense.

14 8. Respondent understands that this Interim Consent Agreement is a public
15 record that may be publicly disseminated as a formal action of the Board, and that it shall
16 be reported as required by law to the National Practitioner Data Bank.

17 9. Respondent understands that this Interim Consent Agreement does not
18 alleviate Respondent's responsibility to comply with the applicable license-renewal
19 statutes and rules. If this Interim Consent Agreement remains in effect at the time
20 Respondent's allopathic medical license comes up for renewal, Respondent must renew
21 the license if Respondent wishes to retain the license. If Respondent elects not to renew
22 the license as prescribed by statute and rule, Respondent's license will not expire but
23 rather, by operation of law (A.R.S. § 32-3202), become suspended until the Board takes
24
25

1 final action in this matter. Once the Board takes final action, in order for Respondent to be
2 licensed in the future, Respondent must submit a new application for licensure and meet
3 all of the requirements set forth in the statutes and rules at that time.

4 10. Respondent understands that any violation of this Interim Consent
5 Agreement constitutes unprofessional conduct under A.R.S. § 32-1401(27)(s) (“[v]iolating
6 a formal order, probation, consent agreement or stipulation issued or entered into by the
7 board or its executive director under this chapter.”).
